

# Staff Awards 2017

## Clinician of the Year Award

This award is for a clinician, who through their personal leadership and contribution, has raised the profile of their profession; supported fellow clinicians, or participated in research and development that has contributed to improvements in the profession.

**The submission should include a description of:**

- ★ How the clinician has raised the profile of the profession,
- ★ What difference this has made to the experience of working in the Trust, or to the quality of care that has been delivered.

Nominations can be made by service users, carers, their families and staff.

**Judging:**

There will be a panel of judges made up of people who use our services and staff from across the Trust.

The winner will receive a trophy, certificate and voucher for £100.

**The closing date for nominations is 1 October 2017 and should be addressed to:**

**Communications Team,  
The Colonnades,  
Beaconsfield Road,  
Hatfield,  
AL10 8YE**
