

# Staff Awards 2017

## Council of Governors 'Make a Difference Award'

The winner of this award will be an individual or team that have made a significant contribution to a service users personal recovery journey, working in partnership with the Service User and their carer/ family (where appropriate), demonstrating the skills and qualities that inspire hope for a positive future, as well as alignment with the Trust's values.

**The submission should include a description of:**

- ★ How the nominee(s) have worked in partnership with the service user/carer, ensuring that shared decision making is at the centre of care planning.
- ★ How nominees have promoted hope and resilience, encouraging a belief in an empowering future and how that has enabled them to regain control of their lives.
- ★ How the individual or team have supported the service user to set their own personal recovery goals, and have supported them to make progress towards achieving these.

Nominations can be made by service users, carers and their families.

**Judging:** There will be a panel of judges made up of Trust Governors.

**Three awards will be offered:**            Gold - £250                      Silver – £150                      Bronze - £100

Winners will also receive a trophy and certificate.

(This money should be spent on improving the service, taking service users views into account).

**The closing date for nominations is 1 October 2017  
and should be addressed to:**
