

Staff Awards 2017

Innovation & Improvement Team Award

This award is for a team or project group that has implemented a continuous service improvement or innovation, however big or small, that has enhanced the service user experience in alignment with the Trust values and behaviours and improved services.

The submission should include a description of:

- ★ The project and the reason the project was undertaken,
- ★ The key achievements of the project,
- ★ The difference it has made to people who use our services,
- ★ How the change is being maintained/embedded, and, if appropriate, what the project team are doing to support take up in other parts of the organisation.

Nominations can be made by service users, carers, their families and staff.

Judging: There will be a panel of judges made up of people who use our services and staff from across the Trust.

Three awards will be offered: Gold - £250 Silver – £150 Bronze - £100

Winners will also receive a trophy and certificate.

(The prize money should be invested in a service improvement project)

The closing date for nominations is 1 October 2017 and should be addressed to:
