Thank you for your request concerning Managers' Hearings.

Your request has been considered and processed in accordance with the requirements of the Freedom of Information (FOI) Act 2000.

I write to request the following information relating to Hospital Managers' Hearings between 1st January 2010 and 31st December 2015 (or the most recent five-year period if your statistics-collating period begins on a date other than 1st January) held by you or originated by you.

For each 12-month period:

1. How many Hospital Managers' Hearings were held in total?

2. Of these, how many in each period were attended by the Patient and how many were paper hearings?

We do not record whether patients attend hearings only the number of hearings held and the number of paper based reviews; please see above table.

3. Of these, how many in each period were automatic hearings and how many were at the request of the Patient?

We do not hold a central record of whether hearings are due to an appeal or renewal/extension; all paper based reviews would have been due to an extension of a Community Treatment Order (CTO).

4. How many in each period resulted in the Managers ordering discharge or not renewing detention?

Please see above table.

5. Did any hearing not attended by a Patient result in the Managers ordering discharge or not renewing detention?
We do not record this information, only the total number of discharges by Mental Health Act Managers.

Should you require further clarification, please do not hesitate to contact me.
