Guidance for artists

HPFT wants to find art to display in its buildings. We have a limited budget to purchase, frame and display art by people with a lived experience of mental health or learning disability services.

1. We want drawings, mixed media, paintings, photography, poetry, prints
2. We particularly welcome applications from children and young people, and people that have not previously applied
3. Artists need to have experience of mental health or learning disability services
4. Through consultation and listening to service users and artists we have 4 new themes. The art should be in keeping with one or more of these:
Memory, Unspoken, Stillness, Journey
5. No more than 6 applications per applicant for any one closing date
6. The art must be available to HPFT
7. Our budget is limited: usually to under £100, with many under £50.
8. The art must be unframed as HPFT will frame it.
