Dear

Thank you for your request concerning the name of all systems within our Trust.

Your request has been considered and processed in accordance with the requirements of the Freedom of Information (FOI) Act 2000.

1. I am analysing information on hospital trusts and would be obliged if you would provide as much of the following information as possible under an FOI request. Wherever possible, please include the name and the version number of all systems. If you know your current EPR level, or CMDI score please can you include this as well, and any supporting information;

a) Patient administration system (PAS)

We do not use a PAS System.

b) Electronic patient record (EPR)

The information you are requesting regarding our EPR systems is already available in the public domain¹. Therefore, in line with the FOIA, Exemption Section 21 (information is accessible by another means) has been applied and a link to the relevant information is detailed [here](#).

c) Emergency department Information System

Hertfordshire Partnership University NHS Foundation Trust is a provider of mental health and specialist learning disability services; we do not have an Emergency Department.

You may wish to contact our local NHS Trusts who provide acute healthcare. I have given their details below.
