Thank you for your request concerning the homeless.

Your request has been considered and processed in accordance with the requirements of the Freedom of Information (FOI) Act 2000.

- 1. Please provide the number of people admitted to your facilities/services for each of the last five financial years – plus 2018/19 to date if possible – recorded as being homeless or having no fixed abode.

Table with 2 columns: Financial Year, Number of Admissions. Rows include 2013/14 (3), 2014/15 (9), 2015/16 (9), 2016/17 (22), 2017/18 (87), and 2018/19 to 15/10/2018 (66).

PLEASE NOTE: The numbers for 2013/14, 2014/15 and 2015/16 are not an accurate reflection of the 'Homeless' status. This is because we changed our Electronic Patient Recording system in 2013 and numbers were further affected by the 'Accommodation Status' not always being recorded in 2014/15 and 2015/16. To validate this information would invoke S12 - cost of compliance exceeds the appropriate limit.

- 2. Please detail any services the organisation provides specifically – or particularly aimed at – the homeless i.e. outreach services, homeless clinics.

We do not have a specific service for the homeless. However, you may wish to contact Hertfordshire County Council (HCC) who work directly with the homeless. Please follow this link to the HCC Freedom of Information page.

- 3. Please provide the annual budgetary cost of these services and the number of staff contracted/employed to work in them.

Not applicable.

Should you require further clarification, please do not hesitate to contact me.

Please find enclosed an information sheet regarding copyright protection and the Trust's complaints procedure in the event that you are not satisfied with the response.

Yours sincerely
