Thank you for your request concerning the commissioning of community services.

Your request has been considered and processed in accordance with the requirements of the Freedom of Information (FOI) Act 2000.

- 1. During 2019-20 will your Trust be responsible for the delivery of adult or children's community services commissioned by the NHS through either NHS England or a Clinical Commissioning Group?**

We do not provide any general adult or children's community services. However, we do provide some Mental Health and Learning Disability services for adults and children, therefore we have answered this FOI on that basis.

Please see attached spreadsheet as requested.

Should you require further clarification, please do not hesitate to contact me.

Please find enclosed an information sheet regarding copyright protection and the Trust's complaints procedure in the event that you are not satisfied with the response.

Yours sincerely
