Thank you for your request concerning Adult Service Users In 'MH' Code Bracket.

Your request has been considered and processed in accordance with the requirements of the Freedom of Information (FOI) Act 2000.

I would like to request, under the freedom of information act, the following information from your Trust:

- 1) ***The total number of people in contact with adult mental health services with accommodation statuses that fall under the 'HM' code bracket.***

For clarity I'm referring to the accommodation status codes specified in M003010 (as seen in the [Data Set Specification \(Amd 43/2019\)](#) file). Within that file, I'm referring to the 'HM' codes listed below:

HM01	Rough sleeper
HM02	Squatting
HM03	Night shelter/emergency hostel/Direct access hostel (temporary accommodation accepting self referrals, no waiting list and relatively frequent vacancies)
HM04	Sofa surfing (sleeps on different friends floor each night)
HM05	Placed in temporary accommodation by Local Authority (including Homelessness resettlement service) e.g. Bed and Breakfast accommodation
HM06	Staying with friends/family as a short term guest
HM07	Other homeless

If other codes are being used by the Trust to record the above accommodation statuses, please could you supply me with data for those.

Please could you provide the data in a monthly breakdown for the following years:

01 January 2019 to 31 December 2019; 01 January 2020 to 31 December 2020; 01 January 2021 to latest available data.

This information is already in the public domain¹. Please follow this [link](#) to FOI 3924 where you can find the information you require under the caseload attachment.

Should you require further clarification, please do not hesitate to contact me.

Please find enclosed an information sheet regarding copyright protection and the Trust's complaints procedure in the event that you are not satisfied with the response.

Yours sincerely

Sue Smith
