Thank you for your request concerning Construction Projects.

Your request has been considered and processed in accordance with the requirements of the Freedom of Information (FOI) Act 2000.

**We are writing to you under the Freedom of Information Act 2000 to request information in reference to public expenditure.**

**In reference to the Trusts expenditure and estate, can you please provide details of the following:**

1. **Identification of all construction projects (classified specifically as a refurbishment or new build) within your estate since 2010, where the project value exceeded £1m**
2. **Project cost and the year completed**
3. **Confirmation of the trust appointed project team (organisation name only), namely:**
  - a. **Selected Contractor**
  - b. **Architect**
  - c. **Structural Engineer**
  - d. **M&E Engineer**

We do not keep the information you require for prior years in any reportable format. Each element of our capital programme is treated as a separate project, and many of them span multiple years. In any year we can identify those projects which are expected to spend at over £1m in that particular year (and we have identified these for you for the current year 2021/2022 with estimated costs for the current year only). Once a project is completed it is moved from an asset under construction to the asset register and this becomes the relevant record. However assets are subject to valuation reviews annually, and are depreciated as per policy/accounting standards, and as such the asset register itself cannot be used to answer the questions you have asked. We have manually collated this information for 2021/22 assuming that the most recent information will be of most use to you. It is not possible to use the same method for prior years due to significant changes in personnel, policies, and accounting software in the last year without invoking exemption S12 – Cost of Compliance exceeds the appropriate limit.

Please see attached spreadsheet for 2021/2022.

Should you require further clarification or like to discuss payment, please do not hesitate to contact me.

Please find enclosed an information sheet regarding copyright protection and the Trust's complaints procedure in the event that you are not satisfied with the response.

Yours sincerely
