Thank you for your request concerning ICT Expenditure.

Your request has been considered and processed in accordance with the requirements of the Freedom of Information (FOI) Act 2000.

Please could you provide me with the attached information about your organisation's ICT expenditure.

Please see attached spreadsheet as requested.

We are unable to provide the 2019/20 and 2020/21 spend in the way you are requesting. In order to provide this information would involve going through every invoice and categorising them. This is further complicated by some of our application hosting being provided by our managed service and some not.

After consulting with our IM&T and Finance Departments it has become clear that to do this would involve Section 12 - Cost of compliance exceeds the appropriate limit due to the number of invoices received.

Should you require further clarification or like to discuss costs, please do not hesitate to contact me.

Please find enclosed an information sheet regarding copyright protection and the Trust's complaints procedure in the event that you are not satisfied with the response.

Yours sincerely

Sue Smith
