Thank you for your request concerning our Patient Safety Specialist's contact detail.

Your request has been considered and processed in accordance with the requirements of the Freedom of Information (FOI) Act 2000.

We are requesting the name, job title, email address and telephone number for the person(s) holding the role of Patient Safety Specialist with this NHS Trust - we are aware that this is not typically listed within their job title but assigned to them.

We respectfully request email and telephone contact information as we would like to discuss directly with them about speaking at our upcoming Patient Safety Congress event in Manchester. Sharing their expertise and knowledge will prove vital for everyone in the NHS involved in patient safety that is in attendance.

If these contact details cannot be shared, we will be happy to accept just their name(s) and job title(s).

John Fanning our Head of Safety and Patient Safety Specialist can be contacted via his email address j.fanning@nhs.net.

Should you require further clarification, please do not hesitate to contact me.

Please find enclosed an information sheet regarding copyright protection and the Trust's complaints procedure in the event that you are not satisfied with the response.

Yours sincerely

Sue Smith
