Thank you for your request concerning IT devices.

Your request has been considered and processed in accordance with the requirements of the Freedom of Information (FOI) Act 2000.

1. Under the Freedom of Information Act, I would request you to respond to questions included in the attachment.

Please see attached spreadsheet.

The majority of this information is already in the public domain¹. Please follow the links provided to previously published responses.

The information you are requesting relating to our network and security infrastructure and if answered could be used to compromise the security of the organisation. It would make the organisation vulnerable to a crime such as hacking and this could lead to a theft of information or a denial of service to IT systems therefore we have applied S31(1)(a) – Law Enforcement (1)

Information is exempt if its disclosure under this Act would or would be likely to prejudice (a) the prevention or detection of crime.

S31 is subject to a test of prejudice. Please see below for our considered reasons for and against disclosure:

Reason in favour of disclosure

We acknowledge the public interest in openness and transparency and recognise that releasing this information would provide the public with assurance that we are protecting their information and our technologies.

Reason against disclosure

Disclosure of the capability of our devices would make the Trust vulnerable to cybercrime as it outlines the Trust's security position which could be used as a starting point to attack network infrastructure and/or information systems.

We have reached the view that on balance, the public interest is better serviced by withholding this information under the section 31(1) exemption²

¹ Section 21 – Information is available through other means

² Section 31 - S31(1)(a) – Law Enforcement (1) Information is exempt if its disclosure under this Act would or would be likely to prejudice (a) the prevention or detection of crime

Should you require further clarification, please do not hesitate to contact me.

Please find enclosed an information sheet regarding copyright protection and the Trust's complaints procedure in the event that you are not satisfied with the response.

Yours sincerely

Sue Smith
