Your request has been considered and processed in accordance with the requirements of the Freedom of Information (FOI) Act 2000.

We are researching and compiling information about NHS trusts' use of technology as part of our ongoing coverage of the NHS tech landscape. According to our records, your trust's contract with below supplier is expiring (or has expired already).

Please could you confirm whether you have agreed a contract with a new supplier (if so what is the contract length and name of the supplier and system in question), or if you have extended your contract with your existing supplier? If neither, please provide details of what's happening at the minute (e.g. the trust is procuring a new system, the trust is developing an in-house solution etc).
