Thank you for your request concerning in-patient fee rates for mental health.

Your request has been considered and processed in accordance with the requirements of the Freedom of Information (FOI) Act 2000.

I am currently researching the cost of care for conditions relating to Mental Health (MH) conditions and Neuropsychiatry (NP) disorders in an inpatient setting. The areas I am interested in are mental health patients in a rehab and recovery unit, and patients occupying a bed for specialist neuropsychiatry disorders. I have attached an Excel document that details the information I am looking to obtain and explains the care type and funding condition for which I want to gather the information.

We are unable to complete your excel spreadsheet¹.

- We are not responsible for neuro psychiatry
- We do not recognise the term rehabilitation and recovery unit

We are on a block contract with the ICB and do not charge a daily fee in this way.

Should you require further clarification, please do not hesitate to contact me.

Please find enclosed an information sheet regarding copyright protection and the Trust's complaints procedure in the event that you are not satisfied with the response.

Yours sincerely
