Thank you for your request asking for a list of registered Psychiatrist working in Adults Sevices for CMHT St Albans.

Your request has been considered and processed in accordance with the requirements of the Freedom of Information (FOI) Act 2000.

1. Please provide a list of the current (as of November 2023) registered psychiatrists in Adult services in the CMHT in St Albans.

To provide you with a list of employee's names would contravene UK GPDR data protection principle 6(a).

Article 6 clearly states that processing shall only be lawful if and to the extent that at least one of the follow applies:

- (a) the data subject has given consent to the processing of his or her personal data for one or more specific purposes;

We do not have consent to publicly identify these individuals.

However, under Section 16 – Duty to provide advice and assistance I can confirm there are 6.1 FTE registered Psychiatrists working in the St Albans Adult CMHT.

Should you require further clarification, please do not hesitate to contact me.

Please find enclosed an information sheet regarding copyright protection and the Trust's complaints procedure in the event that you are not satisfied with the response.

Yours sincerely
