Thank you for your request concerning Digital Funding.

Your request has been considered and processed in accordance with the requirements of the Freedom of Information (FOI) Act 2000.

1. What is the population size you cover?

This information is not recorded¹. However, under Section 16 – Duty to provide advice and assistance I can inform you that we are a large Mental Health (MH) and Learning Disability (LD) Trust that covers four counties; Hertfordshire, Norfolk, Essex and Buckinghamshire with responsibility for Acute and Rehabilitation MH services, Children & Adolescent MH services, Community Services, Older People MH services, LD Assessment & Treatment, LD Continuing Care with two LD Forensic Medium Secure Units and one LD Forensic Low Secure Unit. You may find the population of these counties on the County Census websites.

2. What proportion of your contracted budget is spent on Mental Health (if unknown, please provide an estimate)

It is not possible to provide you with the requested breakdown into individual services because there is not a contract split between MH and specialist learning disability.

However again under Section 16 – Duty to provide advice and assistance please follow this [link](#) to our annual report for the total budget.

3. Please complete the table below for the last 5 financial years starting with the financial year April 2018 and detail the digital funding you have received from NHS sources i.e. NHS England or associated commissioners (integrated care boards/clinical commissioning groups).
