Thank you for your request concerning London Weighting Allowance for Junior Drs.

Your request has been considered and processed in accordance with the requirements of the Freedom of Information (FOI) Act 2000.

- 1. For each hospital within your Trust, could you please specify whether the hospital attracts London Weighting Allowance as laid out in the Terms and Conditions of Service for NHS Doctors and Dentists in Training (England) 2016 Version 11.**

I can confirm we pay junior doctors London weighting as above in line with terms and conditions of employment.

- 2. Please provide a breakdown of the London Weighting Allowance rates for each hospital, indicating whether they attract Inner London (£2,162 per annum), Outer London (£527 per annum), or Fringe (£149 per annum) rates.**

Please see attached spreadsheet. All weighting refers to fringe only as none of our sites are located in other areas.

Should you require further clarification, please do not hesitate to contact me.

Please find enclosed an information sheet regarding copyright protection and the Trust's complaints procedure in the event that you are not satisfied with the response.

Yours sincerely

Sue Smith
